Statement of CPNI Procedures and Compliance

Computer Tel, Inc. ("Computer Tel" or "Company") provides wholesale international terminating telecommunications services to other carriers and as such does not have any subscribed service relationship with end user business or residential customers. The Company does not obtain, retain or use CPNI for any purpose. Although the Company has call detail records, it does not have any information regarding the calling or called party, and such information is not used for marketing purposes. The Company is committed to protecting the confidentiality of all customer information, including CPNI and call detail records. Company employees are prohibited from disclosing such information and each Company has procedures which provide for disciplinary action for such violations, up to and including termination of employment.

Moreover, the Company does not market their services to end users in any fashion. Instead, marketing efforts are directed towards resellers and other carriers who require international termination. Marketing efforts do not include the use of CPNI or call detail records.

The Company does not disclose call record information over the telephone.

The Company does not disclose detail records on-line.

The Company does not have any retail locations and therefore does not disclose call detail records in-store.

Should the Company expand its business in the future to include the provision of services that involve CPNI, it will follow the applicable rules set forth in 47 CFR Subpart U, including, if necessary, the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI, including call detail records, is used or disclosed.

Requests for call detail records by law enforcement agencies are only granted under subpoena.

Computer Tel, Inc.

Statement of CPNI Procedures and Compliance

(Page 2)

The Company has procedures to notify law enforcement in the event of a breach of customers' CPNI, including call detail records, to ensure that notification is provided in the time period set forth in the FCC's rules, or if applicable, when so authorized by law enforcement. In addition, each Company has a process to record all breaches discovered and will provide notification to the United States Secret Service, FBI and customers, to the extent possible.

The Company has not taken any actions against data brokers in the last year.

The Company did not receive any complaints about the unauthorized release of CPNI or the unauthorized disclosure of CPNI, including call detail records, in calendar year 2009.

The Company has not developed any information with respect to the processes pretexters are using to attempt to access CPNI or call detail records.
